A WORD FROM PRESIDENT KEVIN CHARBONEAU

kcharboneau58@comcast.net

Kevin Charboneau
Club President

As I sit here, Summer officially starts tomorrow. It still feels like 'Junuary'. I am looking forward to a better forecast for the picnic in August. Lots of things to talk about.

The picnic will be Thursday, August 7th at the Rose Garden at Squaxin Park; 2600 East Bay Drive Northeast in Olympia. We need some help. Oliver Brock will be recovering from surgery and will not be able to flip the burgers. Would you be able to step up and help this year? As in the past, the club will be providing burgers, hot dogs, condiments and tableware. Please bring anything you would like to share in the world of salads and desserts. The social hour will start at 5pm and the burgers should start coming off the grill about 5:30. Bring whatever you would like to drink. We will be playing BINGO in memory of Dick Cowley.

We will start the event by taking the vote on the amendment to increase the dues to $15 per year.

We will also be installing the new club officers. We still do not have a treasurer. We just need someone to hold and keep the checkbook.

On June 7th we participated in the Lacey Rotary Duck Dash Fun Day at the Thurston County Fairgrounds. By my calculations, we had 183 contacts. Thank you to the volunteers that made the day go nicely. There was plenty of time for all of us to look around and explore the grounds without leaving the booth unmanned. There were times when the booth next to us was unmanned when the sole volunteer had to step away. I am very thankful for the support. Last I checked, none of us won the grand prize, or any prize for that matter.

I introduced something new at the event. The tortilla press. Yes, it is true that I was inspired while watching 'Beat Bobby Flay' make tortillas for a dish he was making. There is more on this later in this newsletter, but the bottom line is for $10 you can squish all the staples down smooth in a single motion.

I also want to make a pitch for volunteers for the Washington State Fair. In exchange for four hours of your time, the PNNA will get you and a guest access to the fair and parking. That is about a $50 package. I will be there on Fridays and Saturdays. You can use this information to plan on a day to spend with me, or to make sure you do not have to be with me. Your choice, but I guarantee you will have a great time. What you do at the fair for the other 8 hours, is up to you.

Next month, I will be reporting on the Royal Canadian Numismatic Association coin show in Calgary, Alberta. It will be my first international show. I am very interested in how things are done at other shows. I will start the work on the coin show to be held January 31, 2026. I look forward to sharing my experiences with you. Have a great July and be safe.

Thank you.
Kevin

Olympia Coin Club
Meeting Minutes
June 5, 2025

Richard Green
Club Secretary

Kevin welcomed the members and opened the meeting at 7:00 PM.

Treasurer's Report
Terri made an appeal for someone to fill the Treasurer position. All the individual will need to do is keep track of the money coming in and going out. Terri will prepare the reports. The auction tasks can be divided among several other Club members.

Demise of the Penny
The penny seems to be on the way out. 2025 pennies are scarce and it is expected that 2026 pennies will only be minted until the current blanks are gone.

Dues Amendment
The Board has recommended an increase in the annual dues to $15. This requires an amendment to the Constitution. The amendment was introduced at the June meeting and the final vote will be taken at the August meeting/picnic.

State Fair
Rick made an appeal for volunteers to man the PNNA booth at the State Fair in Aug. and Sept. Each shift is 4 hours and volunteers will get free admission to the Fair and free parking.

Newsletter Editor
Ray Fiorini will resign as editor as of Dec. 31, 2025. We are looking for a member to take on this duty.

Election of Officers
Ballots were handed out with the slate of officer candidates. Voting proceeded, followed by the counting of the returned ballots. The results were:
President – Oliver Brock
Vice President – Jay DeBoer
Secretary – Rich Green
Treasurer – (position still open)
Board Members- Todd Hughes and Dale Gerard
These officers will be installed at the August meeting.

Yellow Ticket Winners
1957d Franklin Half Dollar- Terri Yurkas
2002 Kennedy Half Dollar – Ken Failowski
1957 Two $1 bills in sequence – Gary Dunn
Membership Prize
2007 Wash. Quarter Error Coin – Oliver Brock
There will be no meeting in July, The next meeting is on Aug. 7, at the picnic.
Burgers, hot dogs, and utensils will be provided. Bring a potluck and drink'

The meeting adjourned at 8:30. Rich Green, Secretary

Calling All Grill Masters!
We Need a BBQ Hero for the OCC Picnic!

Our annual Olympia Coin Club picnic is just around the corner in early August, and we're counting down to a day of fun, food, and camaraderie. But this year, we've hit a snag:

We need a volunteer to helm the grill!

Oliver, our usual BBQ captain, has graciously offered to handle pre-picnic preparations (including providing a grill and warming roaster if needed), and he will buy the burgers and hotdogs, but he won't be able to attend the event itself. That's where you come in!

How You Can Help:

- Grill burgers and hotdogs (no expertise required—just enthusiasm!).
- Assist with table & food setup.
- Pick up bingo prizes, hamburgers and hotdogs from Oliver before the picnic.

This is a fantastic opportunity to dive into the heart of the event, meet fellow members, and keep a cherished club tradition sizzling. Plus, you'll earn the eternal gratitude of hungry numismatists! Interested? Even if you're just "BBQ-curious," reach out to Oliver or any board member to volunteer. Let's make this picnic the best one yet!

Lacey Rotary Duck Dash - June 7th

On June 7th, the Olympia Coin Club proudly hosted a booth at the Lacey Rotary Duck Dash at the Thurston County Fairgrounds. Kids eagerly spun the wheel to win prizes, and as Kevin likes to say, we were the only ones at the Duck Dash giving away free money!

Attendees received a variety of numismatic treasures, including steel cents, golden dollars, half dollars, silver coins, coin books, and the grand prizes—slabbed graded coins. Along with their spin-the-wheel winnings, kids also took home a squished club cent and a bag of foreign coins, complete with club information.

The event was a fantastic opportunity to share the hobby, engage with the community, and inspire young numismatists. A great time was had by all!

The Lacey Rotary Duck Dash is an annual event at the Thurston County Fairgrounds that brings together families, businesses, and local organizations for a day of fun and fundraising. The highlight is the duck raffle, where ticket sales support charities, youth programs, and international service projects.

In addition to the raffle, the event features a car show, vendor booths, kids' activities, live entertainment, and a beer garden, making it a lively celebration for all ages.

The Olympia Coin Club has proudly participated, engaging attendees with interactive activities like "Spin the Wheel for Prizes" and distributing special flattened pennies.

This long-standing tradition not only provides entertainment but also strengthens community ties and supports meaningful causes. Whether you're a collector, a car enthusiast, or just looking for a fun day out, the Duck Dash is a fantastic way to connect with the local community and make a difference.

See you next year!

A Clever Trick For Your 2x2 Coin Flip Staples!

Have you ever been stabbed by a staple on your 2x2 Mylar flip holders? You're not alone! Some collectors take pliers and meticulously flatten each staple to prevent painful pokes, while others invest in flat-clinch staplers, which still leave small, stubborn edges that can snag an unsuspecting finger.

Well, Kevin Charboneau has discovered a simple, genius solution. One evening, while watching Bobby Flay make tortillas, he realized that a tortilla is about the same thickness as a 2x2 coin flip holder —and the idea was born.

Kevin picked up an inexpensive tortilla press for around $10 and perfected his process for effortlessly flattening staples:

1. Open the tortilla press and place the 2x2 holder in the center, with the rounded staples facing up.
2. Close the press and flip the handle over the top cover plate.
3. Apply gentle, firm pressure.
4. Open the press, and enjoy your prick-free stapled holder!

No more painful staple pokes—just a quick, effective fix for collectors everywhere.

Now, Kevin needs a catchy name for his method. Here are a few possibilities:

- The Coin Flip Press
- Staple Smasher – Gets right to the point!
- Prick-No-More Press
- Numismatic Tortilla Press
- The Flat Flip Fix
- Kevin's Kozy Koin Klamp
- No Poke Press
- Guac & Roll Staple Control
- The Staple Smusher
- Pressin' Ain't Easy
- Prick Be Gone

A Grateful Farewell to Our Award-Winning Editor

Ray Fiorini
Newsletter Editor

Seven years ago, when the Olympia Coin Club found itself without a newsletter editor, Ray Fiorini graciously stepped in to fill the role—temporarily, or so he thought. Fast forward to today, and Ray is stepping down after seven remarkable years of dedication, creativity, and excellence.

Under his leadership, the Olympia Coin Club Newsletter became more than just a publication—it became an award-winning resource for collectors. Year after year, the newsletter received numerous accolades from the Pacific Northwest Numismatic Association (PNNA), earning multiple 1st, 2nd, and 3rd place awards for best newsletter. These honors are a testament to Ray's commitment to producing high-quality, engaging content that kept members informed and inspired.

As Ray moves on from his editorial duties, the Olympia Coin Club extends its deepest gratitude for his hard work, dedication, and passion over the years. His contributions have left a lasting impact, shaping the club's communications and strengthening our numismatic community.

Thank you, Ray—we truly appreciate everything you've done for the club!

PNNA Convention 2025: Olympia Coin Club Literary Award for Best Club Newsletter

A Letter From Ray Fiorini

Dear Members of the Olympia Coin Club

I want to extend my heartfelt thanks to all of you for giving me the opportunity to serve as your Newsletter Editor over the past seven years. What began as a temporary role following the passing of our dear friend Mel Williamson turned into a deeply rewarding journey—one I will always look back on with gratitude.

It has been an honor to help share the stories, events, and numismatic knowledge that keep our club connected and engaged. Each edition of the newsletter was a labor of love, made worthwhile by your feedback, contributions, and enthusiasm for our shared hobby.

As I step down from this role, I am pleased to announce that Jay DeBoer has graciously agreed to take over as our new Newsletter Editor. Jay brings a fresh perspective and a strong commitment to keeping our members informed and inspired, and I know he'll do a fantastic job carrying on this tradition.

Thank you again for your trust, support, and friendship. I look forward to continuing as a member and seeing where the club goes next—with Jay at the editorial helm and all of us supporting one another.

Warm regards,
Ray Fiorini
Past Newsletter Editor, Olympia Coin Club

Talking Coins: My Interview on the Coin Collecting Podcast

As the editor of the Olympia Coin Club Newsletter, I want to focus on sharing coins, events, and club updates—not on myself. I'm not one to toot my own horn, but since July is a quieter month for the club, I wanted to share this bit of numismatic news and introduce you to a fantastic podcast if you haven't heard of it.

Some of you may know that I recently wrote a book: "The Jewish Nickel – The Coin Confused with the Hobo Nickel." Not long ago, Jeff Starck, formerly of Coin World and now with Active Interest Media, reached out to invite me to discuss the book on The Coin Collecting Podcast. Jeff's new venture follows his tenure as host of the Coin World Podcast, and with his move to Active Interest Media—publisher of Numismatic News, World Coin News, and Banknote Reporter—he launched this new platform for collectors.

On a Tuesday morning, we connected online and recorded the episode. The conversation was a great opportunity to explore the history and misconceptions surrounding the Jewish Nickel and its mistaken identity as a Hobo Nickel.

If you're passionate about numismatics, The Coin Collecting Podcast is a fantastic resource, covering a wide range of topics in the hobby. You can find episodes on The Numismatic News website.

The Numismatist - July 1925

COIN COLLECTING IS A GOOD HOBBY.

Professor Robert L. Wenley, head of the Department of Philosophy of the University of Michigan, addressed members of the Wise-Rockdale centers recently, according to a press report.

He said: "Our highly specialized civilization has divorced us from what once was our natural mode of life. We are just emerging from a fit of mental indigestion. We could not do better than to forget some of our problems, adopt a hobby, have some idea apart from our daily existence and take service in some form that will make us forget our troubles.

Here's a look back 100 years at a couple of articles from the July 1925 issue of The Numismatist.

MANY NAMES FOR THE "ROOT OF ALL EVIL."

Money is money under any and all conditions, but in its transfer from one person to another it has many special names. Here are a few of the terms in common use:

Wages for workmen; salary for the office force; emolument for the clergy; honorarium or fee for the medical man; dividend for the shareholder; remittance for the boy or girl at college; alms for the beggar; alimony for the divorcee; dowry for the widow; legacy for the lucky heir.

Indemnity for the litigant; royalty for the literary man; interest for the money lender; stipend for the college professor; retainer and fee for the lawyer; commission for the salesman; premium for the insurance agent;

for the engaged girl, and "dough" for everybody, to say nothing of "kale," "mazuma," "jack" and other appellations not yet admitted to good standing in the dictionary.

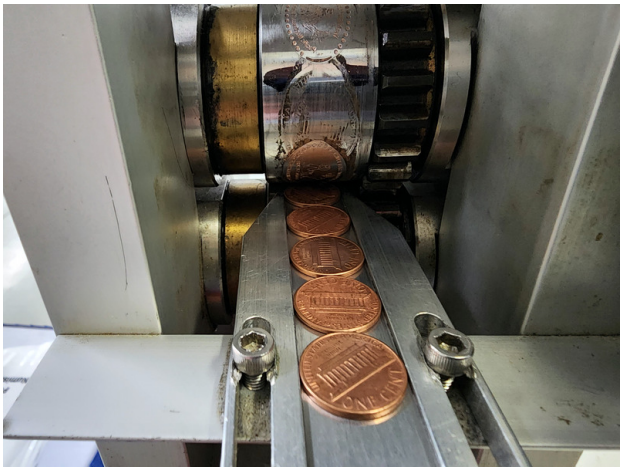
The foregoing, from the New York Times, leaves much unsaid about "the stuff that makes the mare go." Some of you have been paid the good old "spuds" at the week-end and called it "cush," while others called the stipend by the old war-time appellation, "spondulix"; still others fondled their pay envelope in the Middle West and called the income "iron men," "silver babies," "cart wheels," and "washers." The average worker refers to his possessions of the "long green" with affection, at least until "his bird seed" has gone to the winged ones of the air. By the way, what is your favorite name for the "shekels"? •

The fellow with the "geld" may call his "bundle" a "roll" of "simoleons," and when his roll is gone, as likely as not he will say that his "spinach has wilted." — Mixer and Server.

Washington State Fair

Seeking volunteers for the PNNA Coin Booth in the Hobby Hall August 29 through September 21

Every volunteer receives free passes to the fair and free parking, and passes are often available for spouses as well. When you're not covering a shift, you can enjoy the Fair.



Shift duties are pretty simple. Each shift lasts four hours. The time flies if we get a lot of visitors. There are two large trays of pennies for kids of all ages to search through to find their birth year. Our volunteers are there to staple the found treasure into a specially stamped 2x2 that can be taken home as a souvenir. There is also a tray of world coins that kids can search through for their favorite and take home as well. Finally, the PNNA's penny press will be there for kids who wish to crank out their own Fair souvenir.

See the 2025 Hobby Hall volunteer schedule

If you have questions or wish to volunteer, please contact PNNA Hobby Hall coordinator Rick Schulz via email at richardf53@yahoo.com, or by telephone at 253-535-0690.
